WORLD BANK
1818 H Street, N.W., Washington, D.C. 20433, U.S.A.

LO-1300-BR The WORLD BANK has approved a loan of $50 million to Centrais Eletricas Brasileiras S.A. -- ELETROBRAS for an electric power distribution project to be executed by three state power companies in the States of Bahia, Pernambuco and Ceara in Northeast Brazil.

LO-1309-BR Over 1,000,000 people in Brazil's Minas Gerais state will benefit from a water supply and sewerage project being implemented with the assistance of a loan of $40 million from the World Bank. Brazil has embarked on a program, Plano Nacional de Saneamento (PLANASA), to increase the availability of water and sewerage services. The Government's major goal is to establish a viable national financing scheme which will serve the water and sanitation needs of the majority of the urban population by the end of the decade. (Refer to WORLD BANK News Release Nos. 76/89 and 77/4).

Among those present at the signing of the loan documents on August 27, 1976, were, seated from left to right: His Excellency Joao Baptista Pinheiro, Ambassador of Brazil to the United States; Mr. Adalbert Krieger, Vice President, Latin America and the Caribbean Region, WORLD BANK; Mr. Antonio Carlos Magalhanes, President of ELECTROBRAS; and Mr. Norberto Medeiros, Director of ELECTROBRAS.
