CASE NUMBER AI4495
CERTAIN INFORMATION RELATED TO
THE SAFE MIGRATION FOR BANGLADESHI WORKERS PROJECT
(Decision dated December 1, 2016)

Summary of Decision

- The Access to Information Committee (“AIC”) found that the appeal is not properly before the AIC for consideration. The appeal in this case does not assert that the Bank has violated the AI Policy by denying access to information, but rather clearly states that the information requested is publicly available. For this reason, the appeal is dismissed for failure to provide sufficient information that would reasonably support the appeal.

Findings and Related Decision

4. In reviewing the Application in accordance with the AI Policy, the AIC considered:

(a) the Request;

(b) the Bank’s denial of access; and

(c) the Application.

5. The Bank Directive/Procedure: Access to Information, July 1, 2015, Catalogue No. ECR4.01-DIR.01 (“AI Directive/Procedure”) provides that appeals can be dismissed for “for failure to provide sufficient information that would reasonably support the appeal.” (see AI Directive/Procedure, at Section III.D.1, sub-paragraph a (ii)).

6. In this case, the AIC found that the Application does not assert that the Bank has violated the AI Policy by denying access to information, but rather clearly states that the information requested is publicly available. For this reason, and pursuant to sub-paragraph a (ii) of Section III.D.1 of the AI Directive/Procedure, the Application is dismissed for failure to provide sufficient information that would reasonably support the appeal.
