Reports discussing the whole economy of a country, rather than individual sectors, are prioritized in this list.

## Country Assistance Strategies

List is based on a similar list compiled by World Bank's Secretary's staff. Introduced in 1990 and replaced by the Country Partnership Framework (CPF) in 2014, the CAS is an overview of each borrowing country's current economic situation and contains a discussion of its development challenges, prospects, and project-planning. CASs were often initially published as part of project documents but later on were published as standalone documents.

## Staff Newsletters

Resources have been selected from the World Bank Group's [Documents & Reports website](#). The World Bank has produced a staff newsletter since 1947. The publication has changed its name twice: from International Bank Notes to Bank Notes in 1971 and then to Bank's World in 1982. The newsletter moved online in 2000 and physical publication ceased. In addition to offering news relating to Bank operations and country development, the newsletters were intended to foster a sense of community among staff by highlighting social events, marriages and births, arrival of new staff, recreational events, favorite cooking recipes submitted by staff, and features on different aspects of staff's home country and culture.

## Oral histories

Oral histories are selected from the World Bank Group Archives' [Oral History website](#). The site contains transcripts of oral history interviews with departed staff and, in lesser number, Executive Directors and other individuals affiliated with or impacted by the World Bank Group. Interviews were conducted as part of an ongoing effort by the Archives to collect the personal stories and reflections of Bank Group staff. A portion of the interviews were conducted as research for publications. Each transcript provides a valuable first-person account of Bank activities and decision-making from the very beginning of its operations.

## Online exhibits

Online exhibits are authored by World Bank Group staff and are accessible on both the Archives' [external site](#) and as a [series of older exhibits](#) in the Documents & Reports website. Exhibits focus on notable personalities and accomplishments in the Bank Group's history.
