Objectives of ICP 2011

Michel Mouyelo-Katoula
Global Manager
International Comparison Program

Regional Coordinators Meeting
September 28-30, 2009
Washington DC
Outline

1. Objectives and Strategies
2. Expected Results
3. Methodologies and Procedures
4. Learn From the Past & Improve
5. Main Program Areas
6. ICP 2011 Timetable
Objectives and Strategies

Objectives

What do we want to achieve together?

- Implement UNSC Recommendations
- Meet Users’ Needs
- Reach out to Users
- Meet Global Demand for PPP-adjusted Statistics

Strategies

How will we do it?

- Through collaborative endeavor
- Having regular meetings & exchanges
- Involving users throughout the ICP span
- Increasing economic relevance
- Improving methods and processes
- Pursuing research and introducing innovations
- Enhancing capacity building
Expected Results

Main results
- PPP results at regional level for 2011
- PPP results at global level for 2011
- Poverty PPPs

Other results
- Improved GDP expenditures statistics
- Improved methodologies
- Learning material
- ICP book
- ICP Data Quality Framework
- ICP software suite
- ICP databases and metadata repositories
Methodologies and Procedures

Learn from the past & improve

Regional and global lessons
- Take stock of what went well?
- Identify what needs to be improved?
- Undertake further research

Introduce National Accounts work

Enhance NA–Prices consistency
- Delineate the SNA aspects relevant to ICP
- Describe NA tasks to be undertaken
- Develop NA based validation processes
Learn From the Past & Improve

- Quality of 2005 Method
  - Effective
    - Review Survey Tools
    - Improve Method
    - Apply 2005 Method
    - Research
  - To be improved
    - Develop Survey Tools

Deploy
