

STRENGTHENING THE INSTITUTIONAL CAPACITY OF THE ROMANIAN COURT OF ACCOUNTS (P171014)

SIGNED: December 3, 2019

DURATION: 34 months

VALUE: RON 9.4 million (US\$2.17 million)

KEY PARTNERS: Romanian Court of Accounts [\(RCoA\)](#)

PROJECT OBJECTIVES: To strengthen its institutional and technical capacity to deliver high quality audit services in line with its mandate and international standards. More specifically, it aims to provide recommendations to assist RCoA in: (i) enhancing its capacity for strategic planning; (ii) updating Romania's public audit regulations; and (iii) strengthening its capacity for public auditing in line with international standards for supreme audit institutions promulgated by the International Organization of Supreme Audit Institutions ("INTOSAI").

Component 1: Support to the elaboration of a draft institutional development strategy and implementation plan for RCoA

Component 2: Support in updating RCoA's organizational framework and auditing methodologies

Component 3: Training of RCoA's auditing staff
