

Curriculum Vitae—Adam Wagstaff

November 2018

Contact details:

The World Bank, 1818 H St NW, Washington DC 20433, USA. Tel. (202) 473-0566. Email: awagstaff@worldbank.org

Biographical:

Born: May 3 1959, Northampton, United Kingdom

Nationality: British. Married, two children (born 1992, 1995)

Degrees:

1980 BA Economics (1st class honors), University of Wales, University College Swansea. Adam Smith Award for Best Graduating Student

1985 DPhil Economics, University of York

Current appointment:

2009- Research Manager, Human Development and Public Services team, Development Research Group, World Bank

Previous appointments (most recent first):

1999-2009 Lead Economist, World Bank, Development Research Group. Half-time appointments with Human Development Network 1999-2004 and E Asia & Pacific region 2004-2007

1998-99 Visiting Fellow/ Short-Term Consultant, World Bank, Human Development Network

1986-2004 Professor of Economics, University of Sussex. Lecturer in Economics 1986-95. Reader in Economics 1995-98. On leave at World Bank 1998-2004

1985-86 Research Fellow, Centre for Health Economics, University of York

1985 Research Assistant, Health Economics Research Unit, Aberdeen University

1984 Research Assistant, Swedish Institute for Health Economics, Lund

Editorships, etc.:

President *International Health Economics Association* (2016-17)

Associate Editor *Journal of Health Economics* 1989-2009

Guest editor special issue of *Health Economics* on China's health system, 2008-2009

Statistics:

REPEC rankings as of April 3 2016: average rank score: top 2%; # distinct works: top 3%; # citations: top 1%; h-index: top 1%; downloads via REPEC: top 1%. Rank in top 10% globally in six RePEc fields: #17 in Health Economics; #28 in China; #52 in Insurance Economics; #38 in South East Asia; #72 in Transition Economics; and #87 in Development.

Included in *Who's Who In Economics* (4th Edition, eds. Mark Blaug and Howard R. Vane, Edward Elgar, 2003) as one of the 1,200 most frequently cited economists in the years 1990-2000 using Social Science Citation Index.

Included in *Who's Who in the World* (Marquis, New Providence NJ, 1998).

Blog posts: <http://blogs.worldbank.org/team/adam-wagstaff>2018

A massive new dataset to help promote health equity and financial protection in health
New data released to help tackle health disparities and catastrophic health expenditures

2017

What cost childhood stunting? And what returns to programs combatting stunting?

2016

Financial incentives in health: supply- vs. demand-side. Your help is needed!
Health and the SDGs: Out of the doldrums, heading for the rapids

2015

What have we learned in the last 12 months about Universal Health Coverage?
Financial incentives in health: the magic bullet we were hoping for?
A guide to the top World Bank blogs and blogposts of 2014

2014

We just learned a whole lot more about achieving Universal Health Coverage
Inequality of opportunity: the new motherhood and apple pie?
Were the poor left behind by the health MDGs?

2013

A guide to the top World Bank blogs and blogposts of 2013
How and why do countries vary so much in their use of health services?
What exactly is the public-private mix in health care?
The Academic Sting Operation
Health and the post-2015 development agenda: Stuck in the doldrums?
Were Gordon Brown and I right? Were poor children actually left behind by the MDGs for education?
Cost-effectiveness vs. universal health coverage. Is the future random?
Reconciling the two “sciences of delivery”
So what exactly is the “science of delivery”?
Should inequality be reflected in the new international development goals?
Using an iPad to increase your productivity: a roundup

Universal Health Coverage and the post-2015 development goal agenda. And Mrs Gauri
 A Sketch of a Ministerial Meeting on Universal Health Coverage
 Universal health coverage: Old wine in a new bottle? If so, is that so bad?
 Human Development and Inequality of Opportunity: a rejoinder to Ferreira
 Some thoughts on human development, equal opportunity, and universal coverage

2012

A guide to the top World Bank blogs and blog posts of 2012
 Where in the world is a hospitalization least affordable?
 Shocking facts about primary health care in India, and their implications
 When the snow fell on health systems research: a symposium sketch
 How can health systems “systematic reviews” actually become systematic?
 Who’s writing what in the ‘Knowledge Bank’? And is it being used?
 Should you trust a medical journal?
 Tracking withdrawals from the ‘Knowledge Bank’
 So what exactly is a “knowledge bank”?
 Measuring universal health coverage – plus ça change?
 Yet more on coping with information overload with an iPad
 A vast treasure trove of development knowledge just opened up
 Are the ‘knowledge bank’s’ staff under-specialized?
 Humanizing health systems
 Measuring universal health coverage – plus ça change?
 So what exactly is a ‘knowledge bank’?
 Tracking withdrawals from the ‘knowledge bank’
 Yet more on coping with information overload with an iPad

2011

A New Year’s Guide to the top World Bank blog posts of 2011
 A Thanksgiving guide to the top World Bank blog posts of 2011
 Are the Knowledge Bank’s assets actually being used? The case of the World Bank’s HD
 sector
 Beyond Universal Coverage Part I
 Beyond Universal Coverage Part II
 Beyond Universal Coverage Part III
 Coping with information overload – with an iPad
 Four cheers for the ‘results agenda’
 Health reform: A consensus emerging in Asia?
 Health System Innovation in India Part I: India’s health system challenges
 Health System Innovation in India Part II: Aarogyasri
 Health System Innovation in India Part III
 More on coping with information overload with an iPad
 The (gradual) democratization of development economics
 Whither the development agency’s flagship report?

2010

Checking up on the assets of the ‘knowledge bank’
 What’s the ‘universal health coverage’ push really about?
 Who’s listening to the ‘knowledge bank’

Publications
