

Questionnaire on government occupations

3rd ICP 2011 Technical Advisory Group Meeting at the
OECD, Paris
10, 11 June 2010

List of occupations

- 50 for ICP 2005
- 38 for ICP 2011
 - 18 for health, 16 for education, 25 for collective services
 - No military occupations
- 26 for Eurostat-OECD

Compensation of employees

- As defined in SNA
 - Basic
 - Cash allowances
 - Income in kind (food, accommodation, transport)
 - Employers social contributions
- Pay scales will continue to be used, except for group
- Entry level, 5 year and 10 year
 - Not consistent with OECD-Eurostat

Hours worked

- Comparison is based on compensation per hour worked
- Actual versus Official
 - In low wage countries some government officials work less than the official hours because they have second jobs
- Can we measure hours actually worked?

Adjustment for capital

- In ICP 2005 compensation of government employees was adjusted for estimated fixed capital available for each employee
- Adjustment was made by the Global Office
- Same for 2011?
