Key Sectors

Macro-economic stability
Infrastructure
Water & Sanitation
Social Services
Rural Development & Agriculture

Highlighted Projects

Central Asia Regional Links Program (multi-phase)
Improved border roads boosted regional connectivity with Tajikistan and Uzbekistan, while 2.5 million people are expected to benefit from sustainable tourism in the Issyk-Kul Oblast.

Sustainable Rural Water Supply and Sanitation Development Project
This project is providing improved access to water and sanitation services to more than 300,000 people in the country.

Enhancing Resilience in Kyrgyzstan Project
This project has the potential to benefit the entire population of the Kyrgyz Republic by improving school infrastructure, increasing the coverage of warning systems, and boosting financial protection for homeowners.
