Registration Instructions for the Environmental and Social Framework (ESF) course on the Open Learning Campus (OLC)

Create an account on OLC

2. Click on “Register Now.”
3. Enter your email address. Click the "Verify code" button.

4. Access your personal email account, where you should have received an email with a code.

5. Enter the verification code and click on ‘Verify Code’.
6. Enter a valid password, fill in all the mandatory fields like first name, last name etc., and click on the “Create” button.
Once completed, you will see the Open Learning Campus page.

Register for the ESF eLearning Course

Once your account is created and you are signed in, please follow the instructions below to enroll in the eLearning course.

1. Search for the 8-module course “Environmental and Social Framework – ESF Fundamentals” or click on the following link:

2. A new tab will open (or you can open a new tab and paste the above link).

3. Scroll down and click “Enroll.”
Course description:
4. A Registration Confirmation message pops up. Click “Close.”

5. You are now registered. Under ACTIVITIES, click “Launch” next to each module to open the content window.

For questions about the registration process, please contact ESFImplementation@worldbank.org.
