

## International Conference on Sustainable Development through Quality Infrastructure

### Japanese perspectives on Quality Infrastructure Investment - MLIT Initiative-

**Yutaka HASEGAWA,**  
Assistant Vice Minister,  
Ministry of Land, Infrastructure, Transport  
and Tourism (MLIT)

Ministry of Land, Infrastructure, Transport and Tourism

20 January, 2016, Tokyo

## Partnership for Quality Infrastructure: Investment for Asia's Future (21 May 2015)

**1<sup>st</sup> Pillar:** Expansion and Acceleration of Assistance through the Full Mobilization of Japan's Economic Cooperation Tools

**2<sup>nd</sup> Pillar:** Collaboration between Japan and the Asian Development Bank (ADB)

**3<sup>rd</sup> Pillar:** Measures to Double the Supply of Funding for Projects with Relatively High Risk Profiles by Such Measures as the Enhancement of the Function of the Japan Bank for International Cooperation

**4<sup>th</sup> pillar:** Promoting Quality Infrastructure Investment as an International Standard

Japan, in collaboration with the strengthened ADB, will provide approximately **USD 110 billion** (about a 30% increase) for quality infrastructure investment in Asia over the next five years.

## Why “Quality Infrastructure Investment”?

- **Economically Efficient** (Low life cycle cost)
- **Inclusive** (ex. Barrier-free)
- **Safe and Resilient** (ex. Disaster risk sensitive)
- **Sustainable** (ex. Environment-friendly)
- **Assuring convenience and amenity** (ex. User friendly)

### Sustainable Development Goals (September 2015)

**Goal 9: Build resilient infrastructure,  
promote sustainable industrialization and foster innovation**

**Goal 11: Make cities and human settlements  
inclusive, safe, resilient and sustainable**

Quality infrastructure is positively related to  
the achievement of social, economic and political goals

2

## Introduction of four activities of MLIT

1. JOIN (Japan Overseas Infrastructure Investment Corporation for Transport & Urban Development)
2. Public-Private Conference for Quality Infrastructure Investment
