Data Collection Forms – City 1 ... n
Data Archive and Access Policy

• **Starting point: 2005 Data Archive and Access Policy**

• **Main changes from 2005:**
  – Data submission of Core List data from all ICP regions as well as Eurostat-OECD
  – Archive of Core List specifications, data, and metadata
  – Access to Core List data
  – Increased focus on the submission and archive of metadata (country-specific and region-specific)
