**Basic Coverage**

Basic coverage for accidental death is as follows:

• 300 percent of net annual salary for the death of the staff member on regular, open, term, or ED appointment.

• For ETT/ETC, the benefit is three times the net annual salary, up to a maximum of $250,000. The benefit for ETT/ETC is 'Business Only' and does not cover accidental deaths that occur on personal time or during vacation.

• 150 percent of net annual salary for the death of the spouse or DP of a staff member (excludes spouses or DPs of ETC/ETT staff).

• 75 percent of net annual salary for the death of an eligible dependent child of a staff member (excludes eligible dependent children of ETC/ETT staff).

For example, a staff member earning $45,050 net per year, has a basis of $46,000:
