Objectives of the Meeting

Michel Mouyelo-Katoula
Global Manager
International Comparison Program

Regional Coordinators Meeting
September 28-30, 2009
Washington DC
1. Define ICP 2011
2. Set Objectives for ICP 2011
3. Review Methodologies & Procedures
4. Identify Main Work Areas
5. Price & N.A. Experts: Division of Work
Define ICP 2011

International Collaborative Partnership

A structured partnership between several international and national organizations that establish and implement jointly agreed systems and mechanisms for planning, thinking, assembling resources, and working together to accomplish the common goal of generating world PPPs and related statistics for the reference year 2011.
Set Objectives for ICP 2011

What do we want to achieve together?

How?

- Strategies
- Methods
- Survey Instruments
- Validation framework
- Data quality framework

When?

- Overall timetable
- Survey timetables
- N.A. timetable
- Data & Metadata transmission
Review Methodologies and Procedures

- Learn from the past & improve
  - Regional and global lessons
    - What went well?
    - What needs to be improved?
    - Identify further areas of research

- Introduce National Accounts work
  - Enhance NA–Prices consistency
    - Delineate the SNA part relevant to ICP
    - Agree on NA tasks to be undertaken
    - Agree on NA based validation of prices
### Identify Main Work Areas
