Net transfers	371	2,909	572	3,857	107	681	932	3,718

Note: The table shows the three countries with the largest IBRD and IDA lending commitments in the region over the past two fiscal years (2014 and 2015). IBRD and IDA commitments do not include Heavily Indebted Poor Countries (HIPC) Initiative grants. Effective fiscal 2005, IBRD and IDA commitments include guarantees and guarantee facilities. Commitments to regional projects are classified in this table as regional projects and are not counted as commitments of the individual countries involved in the regional project. However, undisbursed balances, gross disbursements, repayments, net disbursements, interest and charges, and net transfers are reported or classified under the individual countries because the individual amounts are covered by separate loan, credit, grant, or guarantee agreements and are guaranteed by the individual countries. Disbursements are made to the individual countries; and principal, interest, and charges are billed to the individual countries. Repayments are made by the individual countries and also include payments from donors under debt service trust funds or debt relief under HIPC and the Multilateral Debt Relief Initiative (MDRI). Numbers may not add to totals because of rounding.

Note: Effective fiscal 2005, lending includes guarantees and guarantee facilities. Commitments in regional projects are classified in this table as regional projects and are not counted as commitments of the individual countries involved under the regional project. IDA figures exclude the HIPC grants of \$45.5 million to Côte d'Ivoire in fiscal 2009.

A blank space indicates zero. Project counts for countries are not included in this table, as approved operations may be reclassified as supplemental or additional financing operations during the life of the project. Consequently, total project counts may fluctuate from year to year. The commitment totals to countries, however, remain constant regardless of the project's classification.

a. OECS = Organization of Eastern Caribbean States.
