---

The above referenced study is approved as amended by Innovations for Poverty Action Institutional Review Board #0004745 (formerly 00006083) USA.

It is the Principal Investigator's responsibility to obtain review and continued approval before the expiration date. You may not continue any research activity beyond the expiration date without approval by the Board.

**Adverse Reactions:** Investigators are required to promptly report any unanticipated problems or complaints to the committee. If the problem is serious, approval may be withdrawn pending IRB review.

**Amendments:** If you wish to change any aspect of this study, such as the procedures, the consent forms, or the survey instruments, please communicate your requested changes to the Board. The new procedure is not to be initiated until the IRB approval has been given.

**The study has been approved as amended:**

- **Modifications to scope of research, including the addition of a component of research and 4 interventions.**

Please retain a copy of this letter with your approved protocol.
