Notes: Numbers may not add to totals because of rounding. AFR = Africa; c = IDA credit; DPF = Development Policy Financing; EAP = East Asia and Pacific; ECA = Europe and Central Asia; g = IDA grant; gu = IBRD or IDA guarantee; l = IBRD loan; IPF = Investment Project Financing; LCR = Latin America and the Caribbean; MNA = Middle East and North Africa; PforR = Program-for-Results; SAR = South Asia; - = not applicable. For more detailed information, see worldbank.org/projects.

a. Maturity dates are the earliest and latest repayment dates for the corresponding lending instruments committed for an operation.

b. Financing provided by trust funds administered by the World Bank.

c. Civil society involvement includes those projects that clearly note within their project documents either the involvement of civil society organizations (CSO), per the World Bank's definition of CSOs, available at www.worldbank.org/en/about/partners/civil-society/#2, during the project's preparation, or describe the intention to involve such actors during the project's implementation. This classification is separate and unrelated to the goals of the World Bank Group's Strategic Framework for Mainstreaming Citizen Engagement. - indicates insufficient data.

d. Principal amounts show the combined totals for the loans, credits, grants, or guarantees committed for an operation, unless otherwise indicated.

e. IDA funds are denominated in Special Drawing Rights (SDRs), which are valued on the basis of a "basket" of currencies. The U.S. dollar equivalent of the SDR amount reflects the exchange rates in effect at the time of the negotiations of the credit or grant.
