Exhibition Tour
FROM DESPAIR TO PROSPERITY
The Story of Korea’s Economic Development

Feb. 18-20
World Bank, MC Atrium

The Global Knowledge Exchange & Development Center (GKEDC) of Korea is pleased to present a major exhibition on Korea’s remarkable economic development journey.

The Republic of Korea has made one of the most dramatic economic transformations in recent history. The country has transitioned from a resource poor, low income nation to a global leader in innovation and technology. The exhibition in the MC Atrium will showcase this miraculous journey and its challenges and hardships. You can register for guided tours offered by GKEDC staff.
