2. Once you have clicked on “Poster,” you will see the following fields:

a. Step 1: Contribution details

- Your name will appear as the first author. Please enter the names, email addresses and organizations of all contributing authors. Please enter each organization only once, **i.e. do not repeat organizations**. The organization fields have index numbers to the left of them. Assign these index numbers to the corresponding authors. If an author is affiliated to more than one organization, enter the organizations in separate fields and enter all corresponding index numbers next to the author, separated by commas. Choose one author as the presenter of the paper at the conference. Click [here](#) for another example on how to list the authors.
- Please enter the title of the contribution, in **Title Case**, i.e. start **each word with a capital letter and continue in lower case**. (Sample title: Collecting and Sharing Land Data in a Comparable Way)
