

**ROMANIA: Functional Reviews Series**

**Key Dates:**

**Signed:** March 1, 2010/November 26, 2010

**Completed:** October 31, 2010/May 15, 2011

**Duration:** 12 months

**Value:** US\$ 4.25 million

**Key Partner:** General Secretariat of the  
Government (GSG)

**P120500-Center of Government (Phase I):** The work was requested by GOR to support the structural conditions required by the European Commission (EC) under its Memorandum of Understanding with GOR for EUR 5 billion in financial support. The Functional Reviews were carried out in two phases. The ministries/sectors covered in the first phase included Transport, Agriculture, Education, Public Finance, Center of Government, and Competition. This code supports activities related to the Center of Government (CoG).

**P129487-Cross Cutting Issues (Phase II):** The Advisory Services constitutes the second phase of the functional review. The sectors included are Health, Labor and Social Protection, Economy, Regional Development and Tourism, Environment and Forestry, Higher Education and Research & Development
