Section 1: Control

Throughout the entire questionnaire use the following response codes. For Text and number questions write response code into question answer, for dropdown, radio button and tickbox questions write into comments.
-96 Other Specify -97 Refused/no answer -98 N/A (Does not apply) -99 Don't Kknow

1 Interviewer ……………………………………………………………………………

   intvwr   RVHHData.dta

2 Time Begun ……………………………………………………………………………..

3 Copy GPS coordinates from bluetooths GPS reader…………………………………………

4 Is the household available to be interviewed?   Yes…..1

                                        No……..2

Consent Label

Hello, it is me…………………………………………………………………, we are still working on this experimental

agricultural survey, which will provide information on labor issues in Tanzania. We visited your household

and conducted a survey in January 2014 and you were promised to be either visited or called 21 itmes up

to June/July. This is the FIRST visit in the series of 21 visits that we will do to your household. You were

informed about this follow up at the time of the baseline survey. We expect the interview to last about 30 minutes

and we will take time to visit plots. Do you have any questions before we begin?

5 Has household agreed to be interviewed   Yes Agreed…..1

   cnsent   RVHHData.dta   No Refused..……..2

6 Who has (not) given consent?   **cntwho   RVHHData.dta**

Section 2: Household Roster

1. Interview Time   :

MAKE SURE BELOW ROSTER LISTS ALL HOUSEHOLD MEMBERS

INDIVIDUAL ID	For all individuals already on the roster, ask Q2 and update any information if necessary. Ask if anybody else is currently eating and sleeping at the household who is not on the list yet. List any new persons if they are staying for at least one week, record their details. We consider a household as a group of people who live together and eat at least one meal together each day, except for special days. The Head of household is the person responsible for keeping up the daily needs of the household or a person whom the other household member consider the Head	2	3	4	5	6	7	8	9	10	11	12	13
