LO-1734-CM-1s

CR-936-CM-1s The WORLD BANK and its affiliate, the INTERNATIONAL DEVELOPMENT ASSOCIATION (IDA), assist Cameroon by providing funds for the fourth railway project. Provided under the project are upgraded rail traffic handling facilities; adequate maintenance facilities; and technical assistance to the administrative and technical departments responsible for the railway. Funds from the Régie Nationale des Chemins de Fer du Cameroun, the national railroad company, have also been contributed to this project.

These men are maintaining railway track under the project.
