Adaptation Fund Board

***Request for change of project outcome, output and related indicators: PERU (PROFONANPE)***

Having considered the request for change of project outcome, output and related indicators by PROFONANPE as contained in document AFB/PPRC.26a-26b/20 and the recommendation by the Project and Programme Review Committee (PPRC), the Adaptation Fund Board decided to:

- a) Approve the change in outcome, outputs and related indicators for the programme “Peru: Adaptation to the Impacts of Climate Change on Peru's Coastal Marine Ecosystem and Fisheries”, as requested by the Peruvian Trust Fund for National Parks and Protected Areas (PROFONANPE) and contained in the revised proposal presented as Annex 3 of document AFB/PPRC.26a-26b/20; and
- b) Request the secretariat to draft an amendment to the agreement between the Board and PROFONANPE to reflect changes made under a).

**Decision B.35.a-35.b/30**
