Dear Colleague;

Please find attached the August edition of the ZIMREF Newsletter which focuses on the [Education Sector Technical Assistance](#) of the Results-Based Budgeting TA. The component aims to provide support to the Government's efforts to improve education outcomes and spending efficiency. The intended outcomes are to increase knowledge, strengthen capacity, and update practices in specific policy areas aimed to address gaps in education outcomes.

Feature Story: [Improving Math Education in Zimbabwe](#)

Kind Regards,
